GRATTAN & CO., BELFAST, IRELAND,

GINGER ALE

ESTABLISHED IN 1825.

GRATTAN & Co. were the first to produce Ginger Ale in 1825, hence their undisputed title of "**Original Makers.**"

This Ginger Ale is prepared with the finest ingredients by their patent process, which **ensures freedom from metallic contamination.** It is submitted on its merits, in the belief that the American consumer will not be slow in appreciating its superiority.

The distinctive feature of the Ale is its fine **delicate flavor of pure ginger.**

Can be had at first-class hotels and restaurants. For sale by leading grocers.

HENRI ABELÉ'S Ruby Royal "Sec."

The only Red Champagne Imported into the United States.

This Wine will be found to possess exceptional merit in all the characteristics of dryness, mellowness of flavor, and delicacy of fragrance, **being the choicest product of the champagne country.**

SOLD EVERYWHERE.

Bottled in London by Read Brothers.

THE

Dog's-Head Brand

OF EXTRA QUALITY

Guinness's Stout and Bass's Ale

IS UNQUESTIONABLY THE FINEST EVER IMPORTED.

Sold by all First-Class Hotels, Restaurants, and Saloons, and by Leading Grocers and Wine Merchants.

The unprecedented success of the **Dog's-Head Brand** renders it unnecessary to dwell on its merits.

The Stout is brewed by GUINNESS, SON & Co., and the Ale by BASS & Co., ut must not be classed with the bottlings of their cheaper brewings known as **Home Trade" Beers** usually imported into the United States.

READ BROTHERS bottle **none but Guinness's and Bass's choicest uality.**

ASAHEL WHEELER'S

Siccohast Oil Polish

FOR

HARD-WOOD FLOORS, OIL CARPETS, FURNITURE OF EVERY DESCRIPTION, WIRE SCREENS, ETC.

The manufacturer of the **Siccohast Oil Polish** is a well-known scientific chemist and inventor, of nearly fifty years' experience. His "Florence White," and later, the "Constant White," have won universal praise for their great value. This **Oil Polish,** now presented to housewives and others, to enable them to give their hard-wood floors a hard-finish polish like the waxed floors of palaces and public buildings of Europe, dries without the least stickiness or tack, and will not soil the whitest linen.

The floors so treated will keep clean a long while, and may be washed without affecting the hard polish.

The **Oil Polish,** when applied to chairs, cabinets, tables, and other furniture, will give it the appearance of being new. It will be found serviceable in numerous ways, to brighten up the wood-work, window-sills, doors, etc., often necessary. It dries hard in less than thirty minutes, leaving no odor.

Price, 75c. for a quart can. 50c. per pint. 25c. per half pint.

THE BOSTON
Saturday Evening Gazette.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for three-quarters of a century the leading family weekly journal of the city. Its circulation is among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama, Society, and the General Affairs of the Day,

It employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

An important feature is the publication of the sermons of the REV. H. PRICE COLLIER, of Brooklyn, N.Y., which are printed each week during nine months of the year, from the author's manuscript, and are believed to be among the ablest and the most widely read discourses that emanate from any liberal pulpit.

The GAZETTE is a special favorite with the ladies. Its **"Out and About"** columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. The **"Miss Meander Letters"**; the **"Cui Bono"** series of articles; the famous **"New-York Gossip,"** by "Brunswick," and **"Modern Society,"** written by an eminent man of letters, are among the many strong and popular specialties of the GAZETTE, and have from their first appearance enjoyed a constantly-increasing favor. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a **Society, Hotel,** and **Club Paper,** it is without a rival.

The GAZETTE gives close attention to local news, and is the only Sunday paper in Boston, except the "Herald," that has the advantage of the Associated Press telegraphic despatches.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

"One of the brightest and most enterprising papers in New England." —*Harper's Weekly.*

"THE BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week." — *Boston Transcript.*

"THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or a break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival." — *Boston Herald.*

APOTHECARIES, CHEMISTS,

AND

Manufacturing Pharmacists.

ELEVATED PRESCRIPTION DEPARTMENT.

This department is situated near the Bedford-street entrance, and is elevated about ten feet from the floor. The very important point is gained of completely isolating the dispensing clerks from the annoyances and confusion unavoidable on the ground floor of any city drug store. This department, however, is in full view from the store, so that the clerks can be seen at work, yet cannot be talked to or interrupted. With this innovation, and increased facilities for filling orders for pure drugs, chemicals, and pharmaceutical preparations, we respectfully solicit a share of your patronage.

DRUGGISTS' SUNDRIES DEPARTMENT.

In this department we carry a select stock of Hair, Tooth, Nail, Hand, Shaving and Infants' Brushes, Combs, Sponges, Hand Mirrors, Gold and Silver Capped Pungents, Lung Protectors, Hot-water Bags, Atomizers, Rubber Goods, Cologne Bottles, Rose Jars, and a complete line of French and English Perfumery.

We note the lowest quotations on English, German, French and American **Proprietary Medicines,** and fully protect our customers on prices.

It has been decided by the country, that

LEPAGE'S LIQUID GLUE

is a trade-mark belonging exclusively to the

RUSSIA CEMENT CO.

so the public can be assured of the genuine article. The only glue that has the recorded test of

1,620 pounds

to the square inch, if the words "LePage's Liquid Glue" is plainly printed on label of can or bottle.

In enlarging our works to meet the demand for our goods, the latest improvements are introduced to keep the standard **excelled by none.**

The following is a nurse's experience in one of Boston's best families; few can boast of bringing up five children in a single family. It speaks well for both the nurse and the food.

BOSTON, June 18, 1886.

MESSRS. WOOLRICH & CO.

Gentlemen: — I feel it my duty to write and tell you of my experience with RIDGE'S FOOD. When I first began to use it I expected, of course, to obtain some benefit, but was not prepared for such wonderful results. Instead of the baby being feeble, cross and sickly, it was well and hearty all the time. I thought at first that it must be because it was that kind of a baby, but now I have brought up five babies on it, and my experience is the same with all. They are all well and hearty; there is never any fear for sickness, you can sleep all night, and I know that it is the food that does it. I think every mother ought to know about this, and then there would not be any more fretful, cross and sickly babies.

MARY MONOHAN.

Card Etiquette.

The Signification of Corners turned on Visiting Cards.

Upper Right Corner — *Visit.*
Upper Left Corner — *Congratulations.*
Lower Right Corner — *Adieu.*
Lower Left Corner — *Condolence.*
Turning the Entire Left End — *A call on the family.*
R. s. v. p. (Répondez, s'il vous plait.) — *Please answer.*
P. p. c. (Pour prendre congé.) — *To take leave.*

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations. If no reply is requested, and no regrets sent, it is understood the invitation is accepted.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city should be sent by messenger, not by mail. Answers to such invitations should be similarly sent.

Letters or notes of invitation delivered by hand in the city are often marked E. V. — En Ville.

The custom is, for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

On gentlemen's visiting cards, "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

On receipt of an "At Home" card, no reply is required.

A visiting card should always be left when attending an "At Home."

An invitation requesting your presence requires an answer.

Wooden — Five years married.
Tin — Ten years married.
Crystal — Fifteen years married.
Linen — Twenty years married.
Silver — Twenty-five years married.

ROBERT G. FITCH,
JOHN R. MURPHY,
RICHARD F. TOBIN, } *Fire Commissioners.*

BROWN S. FLANDERS, *Supt.*

JULY 20, 1888.

BOSTON FIRE-ALARM TELEGRAPH.

SPECIAL NOTICE.

The fact that an alarm-box is located near their residence, and where the key is kept, should be known to all persons; also the simple manner of giving an alarm in case of fire. The Board of Fire Commissioners recommend to all persons who may see this notice, that they make the necessary inquiries, to enable them, in case of need, either to get the key, and give an alarm, or to direct others to do so. *Time* saved in this way may sometimes prevent a conflagration.

IN CASE OF FIRE, FOLLOW THESE DIRECTIONS:

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box; pull the hook all the way down ONCE and let go.

Wait *one full minute* for the sound of the bells.

Listen for the working of the machinery in box. If you do not hear it, pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there; but do not touch any other box if the nearest one gives the alarm.

If it be a keyless door, turn handle to right, and open the door; *when* open, pull hook as in other boxes.

After giving the alarm, remain a while, if *possible*, by the box, so as to direct the firemen to the fire.

SECOND ALARMS. — No person will give alarms for the same fire (after the first alarm has been given) without an order from an Engineer or the officer in command; and the person so ordered will be *sure* to go to the *same box* from which the first alarm was given, and report the same to the Chief Engineer. *If, however*, a fire breaks out while another is burning in a different section of the city, a *second* alarm can be given by a Police Officer, without waiting for an order from an Engineer.

CAUTIONS TO PERSONS HOLDING SIGNAL KEYS.

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be reasonably sure there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.
6. *If you remove from your house, or place of business, return the key to the Fire Commissioners' Office without delay.*

Avoid addressing letters "Boston Highlands," "Highlands," "B. H. District," "City," or Old or New Wards, Boston; but as above.

Never send money or any other article of value through the mail, except either by means of a money-order or in a registered letter. All classes of mail matter can be registered.

It is desirable that letters be addressed to street and number, when known; and, by providing letter boxes at places of business and private residences, much delay in the delivery of mail matter may be saved.

To insure a letter being forwarded in the mails, it must have not less than one full rate in postage-stamps affixed.

All complaints should be made in writing, and envelopes of mis-sent or delayed letters should be sent to the Postmaster.

Have many Superior Advantages over all Others.

Letter F, in cut, shows the **PATENTED SUSPENSORY GORE,** which prevents chafing and removes all disagreeable points, such as seams, extra cloth, and tightening over the knee; it removes the unpleasant feeling experienced, in all others, both foreign and domestic, and are indispensable for large men that appreciate comfort. Also, the wrap opening in front gives it a superiority of adjustment; as it fits loosely, it remains in position and is not so oppressive in warm weather as the light weights of merino fabric (and, for WINTER wear, has a CHEST PROTECTOR attached which prevents colds, neuralgia, catarrh, pneumonia, etc.).

FLORENCE SILK UNDERWEAR

FOR GENTLEMEN AND LADIES.

The attention of those persons who wish to promote health and comfort is invited to the advantages this underwear has over that made from other materials.

Manufactured from strictly pure "soft finish" silk which is entirely free from any dye-stuff or other foreign substance which might cause irritation, without seams, and trimmed in a superior manner, a degree of comfort and protection from cold is obtained in its use not to be had in garments of any other material.

Silk underclothing has long been recommended by eminent physicians for its warmth and its magnetic quality.

Silk is a non-conductor of heat, and, if worn next to the skin, promotes an even temperature of the body, not *suddenly* lowered when passing into a colder atmosphere. Undergarments made of it *seem* much lighter than woollen of light weight, are less cumbersome to the wearer, and at the same time afford much better protection. This is a great advantage to aged people and invalids, who are often burdened and wearied by the clumsiness of wool undergarments. By wearing "soft finish" silk next to the skin, nervous people will entirely avoid that disagreeable irritation caused by garments of other material. Florence Silk Underwear does not shrink in washing, and always wears soft and smooth when properly treated.

Extensive assortment of sizes in summer and winter weights always on hand at our salesroom, 18 SUMMER STREET, BOSTON.

Examination invited, whether you purchase or not.
